AEgis Technologies Announces Promotion & AEgis Orlando 25th Anniversary Open House

Huntsville, Alabama (September 25, 2014) - The AEgis Technologies Group Inc., (AEgis), an innovative provider of solutions, technologies and services, announces the promotion of Brian Holmes to Vice President, Orlando Operations. Brian has successfully led local business development efforts in cooperation with AEgis Business Unit leaders to substantially grow our Central Florida presence to almost 60 professionals. "Through Brian's leadership, experience and excellent relationships AEgis continues to see growth in Orlando, our largest branch office and home to a significant concentration of key customers," said Steve Hill, President and CEO of AEgis Technologies.

Brian has worked at AEgis for five years and has over 26 years of professional experience in the Simulation and Training industry. He is recognized for his contributions in advancing the state-of-the-art in the design and implementation of real-time image generation, simulation, and gaming solutions for military and commercial customers. Brian has been instrumental in working with key AEgis customers, including PEO STRI, PM TRASYS, NAWCTSD, and other prime contractors and business partners in the Orlando market. Brian led AEgis efforts to win the Improved Moving Target System (IMTS) for PM TRASYS, and subcontracts on the SE Core, CACCTUS, and OneSAF Production programs.

In addition to making a difference in Warfighter training, Brian is extremely committed to the Modeling, Simulation and Training (MS&T) community and Wounded Warriors. Brian is active with non-profit organizations that promote MS&T, including the National Center for Simulation, the Central Florida Chapter of the Army Aviation Association of America, and the Navy League of the United States – Central Florida. He is one of the founding Board members of Fairways for Warriors, a non-profit organization that provides golf equipment, instruction and outings for combat wounded warriors and their families to help with their mental and physical rehabilitation.

"We are also pleased to announce the AEgis 25th Anniversary Open House in Orlando on October 2nd, which celebrates our corporate milestone and our important partnerships with our customers, industry and academia," said Mr. Hill. AEgis' 25th Anniversary Open House will be held at the company's Orlando Office on October 2nd from 3 pm to 7 pm. For more information or to RSVP please email aegisorl25@aegistg.com.
