AEgis Named Top 20 Best Places to Work 2012

Huntsville, Alabama (May 9, 2012) – The Chamber of Commerce of Huntsville/Madison County awarded AEgis Technologies as one of the Top 20 Best Places to Work in 2012. More than 200 companies were nominated with the announcement of AEgis as a Top 20 winner. Winners were based on employee completed surveys and placed in four categories based on the number of employees. AEgis was awarded in the medium-size category with 71-200 local employees.

“AEgis Technologies is honored to be recognized as one of the Top 20 Best Places to Work,” said Steve Hill, AEgis President and CEO. “Ensuring AEgis is a truly great place to work and having that reputation in the community is paramount to our ability to recruit outstanding talent and retain our existing workforce. This is important as we continue to strive to deliver products and services of exceptional quality to our customers.”

The Chamber of Commerce of Huntsville/Madison County and the North Alabama Society for Human Resource Management co-hosted the event. First Commercial Bank was the presenting sponsor and Quantum Workplace administered the survey results.

About The AEgis Technologies Group Inc.

AEgis Technologies is a privately held small business headquartered in Huntsville, Alabama, USA, that provides advanced technology and expert consulting services to industries throughout the world. AEgis specializes in modeling & simulation (M&S) and micro/nanoscale technology development. The company’s M&S products and services include simulation software and training simulators; geospatial databases; 3D models; war fighter exercise support; systems engineering and analysis; verification, validation, and accreditation (VV&A); test and evaluation support; Hardware-in-the-Loop (HWIL) and Man-in-the-Loop (MIL) simulation. AEgis’ Nanogenesis Division excels in advancing cutting edge micro and nanoscale technologies from concept to deployment with applications ranging from defense to energy to biotechnology.

AEgis has enjoyed steady growth with revenues increasing to \$50+ million in sales and employment of 245 professionals. AEgis has been instrumental in the acceptance of M&S as a profession, as a graduate
