AEGIS Receives 2016 Top Simulation & Training Companies Blue Ribbon Award for Innovation

Huntsville, Alabama (September 16, 2016) – AEGIS Technologies receives the 2016 Top Simulation & Training Companies Blue Ribbon Award for Innovation by Military Training International (MTI). Based on an industry survey, MTI editors selected companies that have made the most significant contributions to the training community. A blue ribbon award signifies a company that is leading the industry in innovation.

The complete list of MTI's Top 2016 Companies are featured in their September 2016 issue (MTI 21.5) of *Military Training International Magazine*. AEGIS' award and company description are listed here:

<http://www.mti-dhp.com/topcompanies/awards/2016>

AEGIS Products and Services highlighted for this award include:

Monarch™ Health Services - Monarch™ is a data translation, interface engine for enterprise and system owners. Monarch™ contributes to the improvement of health services by creating seamless enterprise data integration, interoperability, and connectivity with different systems regardless of the origin of the data.

Real-time 3D Models / AEGIS Elements - High-fidelity real-time military 3D models have been custom built and compiled over the last 26 years by leading 3D artists, designers and developers for use in simulators, video games, gaming applications and more.

VAMPIRE® PRO - AEGIS' next generation UAS/UAV/Drone pilot training simulation system. VAMPIRE PRO simulates common characteristics for required operator training. VAMPIRE PRO can be readily tailored to provide OEM-specific training for most small UAS.

(more)

Vampire® - A fully embedded Unmanned Air System (UAS) / Unmanned Aerial Vehicle (UAV) training simulation for all operator functions and emergency procedures for family-of-systems small Unmanned Air Systems (Raven® , Wasp™, Puma™). Vampire runs on fielded Panasonic Toughbook and Ground Control Station with no modification to fielded hardware and software.

VAMPIRE® Team - AEGIS offers a classroom training enabler for Small Unmanned Air Systems with VAMPIRE® PRO.

Unmanned Ground Vehicles (UGV) – XPT™ for Andros and XPT™ for Talon XPT™ is a high-fidelity training systems utilize state-of-the-art virtual reality simulation with game quality graphics. The full physics engine emulates complete motion and physical interaction of modeled robot, 3D models, and the synthetic environment.

About The AEGIS Technologies Group Inc.

AEGIS Technologies is a high-tech, privately held small business headquartered in Huntsville, Alabama, that specializes in both modeling and simulation technology and emerging training solutions for military and commercial applications. Our capabilities include: Warfighter Training and Exercise Support; Test and Evaluation; Geospatial-3D Content; Gaming; Interactive Multimedia Instruction (IMI); Unmanned Air Systems (UAS/UAV/Drone); Unmanned Ground Vehicles (UGV)-Robot Simulators; Custom Training Simulators; Cyber Security-Information Assurance; Directed Energy Sensors; Advanced Technologies; Systems Engineering and Analysis; System Development and Integration; Process Control Automation; Verification, Validation, and Accreditation (VV&A); Test Missiles – MAST-M; Information-Big Data Solutions; and Monarch™ Interoperability Solutions.

AEGIS has received several awards including: Best Places to Work 2016, Large Business Category, by the Huntsville/Madison County Chamber of Commerce; Top 20 Best Places to Work 2012 by the Huntsville/Madison County Chamber of Commerce; and 2012 Small Business of the Year. AEGIS' President & CEO, Steve Hill, was also awarded the 2012 Russell G. Brown Executive Leadership Award for excellence in leadership and entrepreneurship.

AEGIS has enjoyed steady growth with revenues increasing to \$60+ million in sales and employment of 325+ professionals. For more than 25 years, AEGIS has been instrumental in the acceptance of M&S as a profession, as a graduate program of study and in the creation of an M&S standards and professional certification across the international M&S professional community-of-practice. Since its founding in 1989, AEGIS is committed to honesty and integrity and has been recognized for its honorable business practices by receiving the Better Business Bureau's Torch Ethics Award. The company's highly skilled work force is dedicated to building lasting relationships and providing superior products and services to our customers.
