**Special Olympics**

**AEGIS Sponsors North Alabama Special Olympics  
Track & Field Events 2017**

**Huntsville, Alabama (September 18, 2017)** - The North Alabama Special Olympics Track and Field Events 2017 will feature more than 400 special needs athletes competing at Milton Frank Stadium on October 24, 2017 (rain date October 26). Opening Ceremonies begin at 9:30 am with games concluding at 1 pm.

Athletes ranging from 8 to 65-years-old from Madison City Schools, Madison County Schools, Huntsville City Schools and the Opportunity Center will participate in the following events: running and standing long jump, softball throw, 20 meter walk, 100 meter dash, 50 meter dash, 200 meter run, shotput, 50 meter assisted walk and wheelchair-pushed. Each athlete will receive a ribbon during the awards ceremony. All qualifying athletes will compete in the state-level Special Olympics in spring 2015.

AEGIS Technologies is sponsoring and coordinating the event with help from various school systems, Opportunity Center and additional sponsors and vendor support. More than 1,600 volunteers will be on hand to assist each athlete, work the track and field events and prepare and serve food. Co-sponsored by the Joseph P. Kennedy, Jr., Foundation, Special Olympics is an athletic and recreational program for people with physical and mental disabilities.

**About The AEGIS Technologies Group Inc.**

AEGIS Technologies is a high-tech, privately held small business headquartered in Huntsville, Alabama, that specializes in both modeling and simulation technology and emerging training solutions for military and commercial applications. Our capabilities include: Warfighter Training and Exercise Support; Test and Evaluation; Geospatial-3D Content; Gaming; Interactive Multimedia Instruction (IMI); Unmanned Air Systems (UAS/UAV/Drone); Unmanned Ground Vehicles (UGV)-Robot Simulators; Custom Training Simulators; Cyber Security-Information Assurance; Directed Energy Sensors; Advanced Technologies; Systems Engineering and Analysis; System Development and Integration; Process Control Automation; Verification, Validation, and Accreditation (VV&A); Test Missiles – MAST-M; Information-Big Data Solutions; and Monarch™ Health Services.

Awarded the 2012 Small Business of the Year (Outstanding Small Business category 51-350 employees) and awarded the 2012 Russell G. Brown Executive Leadership Award for excellence in leadership and

entrepreneurship for AEGIS President & CEO Steve Hill by the Huntsville/Madison County Chamber of Commerce. Also awarded one of the Top 20 Best Places to Work in 2012 by the Huntsville/Madison County Chamber of Commerce.

AEGIS Technologies is a privately held small business headquartered in Huntsville, Alabama, USA, that provides advanced technology and expert consulting services to industries throughout the world. AEGIS specializes in modeling & simulation (M&S) and micro/nanoscale technology development. The company's M&S products and services include simulation software and training simulators; geospatial databases; 3D models; war fighter exercise support; systems engineering and analysis; verification, validation, and accreditation (VV&A); test and evaluation support; Hardware-in-the-Loop (HWIL) and Man-in-the-Loop (MIL) simulation. Advanced Technologies excels in advancing cutting edge micro and nanoscale technologies from concept to deployment with applications ranging from defense to energy to biotechnology.

AEGIS has enjoyed steady growth with revenues increasing to \$65+ million in sales and employment of 300+ professionals. AEGIS has been instrumental in the acceptance of M&S as a profession, as a graduate program of study among many colleges and universities and in the creation of an M&S standards and professional certification across the international M&S professional community-of-practice. Since its founding in 1989, AEGIS has been committed to honesty and integrity and has been recognized for its honorable business practices by receiving the Better Business Bureau's Torch Ethics Award. The company's highly skilled work force is dedicated to building lasting relationships and providing superior products and services to our customers.
