For Immediate Release

AEGIS Technologies Receives Boeing Performance Excellence Award for 2009

Huntsville, Alabama, (January 20, 2010) - Based on outstanding achievement and achieving superior supplier performance, AEGIS Technologies has earned recognition as a Boeing Performance Excellence Award recipient for 2009.

AEGIS Technologies is one of only 128 suppliers to be awarded the Gold Level of Recognition by maintaining a Gold composite performance rating for each month of the performance period from October 1, 2008, to September 30, 2009.

About AEGIS Technologies Group

AEGIS is a privately held small business corporation headquartered in Huntsville, Alabama, that provides advanced technology and expert consulting services to industries throughout the world. AEGIS capabilities include Modeling & Simulation software development, training, test support, engineering analysis, hardware design and nanotechnology manufacturing for both government and commercial customers within the United States and internationally.

Since its founding in 1989, AEGIS has been committed to honesty and integrity and has been recognized for its honorable business practices by recently receiving the Better Business Bureau's Torch Ethics Award. The company's highly skilled work force is dedicated to building lasting relationships and providing superior products and services to our customers.
